PERFORMANCE BULLETIN 144 K526 and K5524 Cap Screw Update

The screw Part Number 1072382 used to secure K526 and K5524 cap to body are being changed to a slotted hex head. A 5/16" socket or flat head screwdriver can be used to remove or install the new screws.

The change is being made to ease manufacturing and does not affect the function. The Part Number will remain unchanged.
